

Women's Health and Cancer Rights Act of 1998 Annual Notice

Did you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy including lymphedema. Call the Administrative Manager's Office at (734) 432-3042 or (888) 390-PIPE (7473) for more information.
